Brendan Turner | Front End Developer

Denver, CO, 80212 | +12674027948 | kisbyturner@gmail.com | [github](#) | portfolio

SUMMARY:

Front End Developer with a robust background in JavaScript, HTML, CSS, and React. Demonstrated collaborative teamwork, effective communication, and proficiency in Test-Driven Development (TDD) and API integration. Recognized for optimizing the in-store date tracking system at Ideal Market, fostering cross-functional collaboration, and elevating inventory management capabilities.

SKILLS:

Languages: JavaScript(ES6), HTML5, JSX, CSS, React.js, Typescript
Design: Responsive Design, Wireframe
Testing: Mocha, Cypress, Lighthouse
Workflow: Git Projects, Github, GitActions, CI/CD, Webpack, npm, nodemon

TECHNICAL PROJECTS:

[AerobitesFE](#) & [AerobitesBE](#)
- Team built a FE & BE of a website to track airports restaurant options
- Used Express and Knex to create migrations and seeds for BE
- Deployed on Heroku and connected to FE

[Rancid Tomatillos](#)
- Duo built a FE movie website using React and Router.
- Used multiple fetch calls and pages to intelligently display data.
- Robust Cypress testing to showcase product functionality.
