

JERRY VOHRER

Software Developer

Los Angeles | Mexico City | Denver | 213-238-3352 | JerryVohrer@Gmail.com

CAREER SUMMARY:

Solution-oriented problem solver with 20+ years of Workplace Management experience. Through my professional and personal evolution, I have learned that nothing satisfies me more than the art and process of learning itself. The ever evolving complexity of working as a software engineer is what has influenced this new career adventure. Looking for a new company to call home.

SKILLS:

- **Javascript:** React | Vanilla Javascript | Router | React Native
- **Testing:** Cypress | Mocha | Chai
- **Workflow:** Git | GitHub | Continuous Integration / Deployment
- **Design:** CSS | SCSS / Sass | CSS Animations | HTML | JSX

RELEVANT PROJECTS:
