SOFTWARE PROJECTS

To Do Guru, Group Project, 80 hours, [Github Organization Link](#)

Technologies Used:

Backend: GitHub, Ruby, Ruby on Rails, SQL/ActiveRecord, VScode, RSpec, GraphQL

Project Purpose: Develop an app that will divide up chores as evenly as possible across all members of a household.

- Worked with frontend team to develop functional application to improve chore sharing load
- Tested API exposure through TTD, using RSpec and Postman
- Maintained communication across teams through daily standups, project board and Slack

Viewing Party, Paired Project, 60 hours, [Github link](#)

Technologies Used: GitHub, Ruby, Ruby on Rails, SQL/ActiveRecord, VScode, RSpec

Project Purpose: Users will be able to log into their account or create one in order to browse movies and create viewing parties for selected movies

- Collaborated with another developer to complete project
- Consumed The Movie DB API and tested for consumption

Adopt, don't shop!, Paired Project, 60 hours, [Github link](#)

Technologies Used: GitHub, Ruby, Ruby on Rails, SQL/ActiveRecord, VScode, RSpec

Project Purpose: Users will be able to apply to adopt pets, and Admins will be able to approve or reject applications and see statistics for the Shelters, Pets, and Applications in the system

- Collaborated with another developer to complete project
- Managed group processes through standup meetings and slack discussions

PROFESSIONAL EXPERIENCE

Media Kids, English as a Foreign Language Teacher, Chonburi, Thailand (10/2021 - 04/2022)

- Taught English Language to Thai students aged 11 - 17, both online and onsite due to COVID
- Created and maintained positive relationships with Thai and other foreign teachers

Denver Public Schools, Denver Math Fellows Coordinator, Denver, Colorado (08/2018 - 08/2021)

- Built and managed small group math instruction programs at four Denver area schools
- Facilitated data team meetings, professional development trainings and one-on-one coaching
- Supported with instruction, behavior management, parent engagement and more for employees
