

Florenzo Bauer - Software Developer

(720)984-8878 • bauerflorenzo@gmail.com • [LinkedIn](#) • [GitHub](#)

OBJECTIVE

My passion for coding ignited at a young age, and since then, I've been driven by a desire to delve into the complexities of computer technology and its interactions. Continuously mastering new languages and frameworks fuels my profound enthusiasm for computers, fostering an ever-deepening appreciation for the field.

SKILLS

Frontend: Javascript, CSS3/SASS, HTML5, React, Web Accessibility, User Story Creation, Problem Decomposition, Network Requests, Go(lang)

Testing: Mocha/Chai, Test-driven Development (TDD), React Testing Library, E2E Testing

Version Control: Distributed Version Control (git/github), Paired Programming

REPO'S

- [TDDAH!](#) - Pair Project
 - Technologies - React, Tailwind, Github Oauth, and Fetch API.
 - Achievements: Developed a turn based battle game. Learned useReduce, and backend development for databases and servers.
- [Rancid Tomatillos](#) - Pair Project
 - Technologies - React, Cypress (testing), network requests.
 - Achievements, learned how to deploy a react application. Learned and developed thorough testing in Cypress in a week. Overcame issues with render timing in react.

EXPERIENCE

Turing School of Software and Design - *Denver, Co/ Remote*

Excelled with Javascript, CSS, and HTML, REACT

1,500 + hours of coding at an ACCET-accredited program

Used Javascript Libraries, build tools, and module compilers.

Safeway - Supervisor

Ranked among the top three performers for driving sales regionally. Elevated department standings from the bottom three in the district to consistently placing in the top three monthly. Maintained average profit margins of 25-30% monthly. Implemented successful redesigns of schematic designs utilized across the district.

Education

Turing School of Software and Design, 2023 - 2024 1500+ hr. ACCET accredited certificate

Central Wyoming College, A.A. in film, 2018 - 2020
