Seth Robert Burns - Front End Software Developer

seth@sethburns.com - (360) 749 6493 - GitHub - LinkedIn

Summary

Creative, well-rounded engineer with experience in Front End & Point of Sale software. Hungry for challenges, new technologies, and working in teams to construct applications with intuitive design, enhancing client satisfaction, experience, and loyalty.

Skills

Frontend: JavaScript, CSS, HTML
Testing: Mocha/Chai
Others: Git, GitHub, Film & Photo Editing, Sound Design

Software Projects

Rock, Paper, Scissors | Solo Project | 14 hours | Repo Link | Deployed Link
Developed a web application to allow users to play Rock, Paper, Scissors
Technologies Used: JS, CSS, HTML
• Created a medieval themed game that tracks score across multiple difficulty levels.
• Utilized sound design to keep users engaged and interested in playing.

What's Cooking? | Group Project | 16 hours | Repo Link | Deployed Link
Developed a web application that allows users to search and compile recipes.
Technologies Used: JS, CSS, HTML
• Created a search system that allows users to narrow down recipes based on title or tag.
• Utilized an API to allow site to stay updated with new recipes.

Professional Experience

POS Software Support, Teaching/Training, Account Management, Remote
• Supported hundreds of clients in using iPad and Web based software for Golf Course Management.
• Utilized data exports and imports for transitioning clients from one software to another.
• Effectively trained thousands of users to utilize software for data collection for marketing, management, reporting, and sales both in-person and remotely using Zoom.
• Enhancing user experience by compiling feedback and assisting in steering the development team to improve user interface design.

Education and Relevant Certifications

Turing School of Software and Design, Denver, CO, remote   2023
Accredited Frontend Software Engineering Certificate
• 1500 hours of programming experience over a 7-month intensive, ACCET-accredited software development program

Chapman University, Orange, CA   2008-2012
Bachelor of Arts in Music Education, Bachelor of Arts in Vocal Performance
