

# ALEC LIVADITIS || Software Engineer

Philadelphia, PA • aleclivaditis@gmail.com • (770)-905-7136

[LinkedIn](#) • [GitHub](#)

## SKILLS

**Languages/frameworks:** JavaScript, React, Typescript, HTML5, CSS, SCSS

**Testing:** End to End testing, Unit Testing, Test Driven Development, Cypress, Mocha Chai

**Workflow & Tools:** Git, GitHub, AGILE, NPM, Restful APIs, GraphQL, Vercel, Firebase, CircleCI

## SOFTWARE PROJECTS

---

**Star Pit** Solo project

[GitHub Repo](#) | [Deployed](#)

A full-stack web app for sci-fi readers to browse lists, search, and add to their 'want to read', 'currently reading' and 'read' shelves

- *React, Javascript, CSS, Firebase, Cypress:* Utilized modular components for state management, handles network requests to multiple endpoints of the Google Books API, and integrated Firebase authentication and database

**EverUse** Group Project

[GitHub Repo](#) | [Deployed](#)

A full-stack web app designed for EverUse, upcycling and repurposing company, to simplify product display, cart functionality, and order placement with confirmation email, handling payments externally

- *React, Javascript, SCSS, GraphQL, Cypress:* Collaborated closed with FE and BE teams to architect and standardize GraphQL JSON contracts, concurrently integrating GraphQL with Apollo on the FE, within the AGILE development framework for enhanced efficiency and communication.

**Sound Stash** Group Project

[GitHub Repo](#) | [Deployed](#)

A web app for searching albums, journaling listening experiences, and adding to a collection

- *React, Javascript, CSS, Cypress:* Utilized React with functional components, hooks, and Context API for global state management to render and manipulate album data from the Discogs API, followed an AGILE workflow with project boards, tickets, and standups

## EXPERIENCE

---

**La Colombe**, Barista, Philadelphia, PA

October 2019 - January 2023

- Fostered a vibrant and positive customer experience during busy shifts at the espresso bar, multitasking and ensuring high customer satisfaction while efficiently managing lines and crowds.

## EDUCATION AND RELEVANT CERTIFICATIONS

---

**Turing School of Software and Design**, Denver, CO

2023

Accredited Frontend Software Engineering Certificate

**University of Georgia**, Athens, GA

2015

Bachelors of Arts in History
