TECHNICAL SKILLS

Languages & Frameworks: React | JavaScript | TypeScript | npm | HTML | CSS

Testing: Mocha | Chai | Cypress | E2E | Unit Testing

Other: Git/GitFlow | RESTful APIs | GraphQL | Object Oriented Programming | Test Driven Development |User Stories

PROJECTS

Outgrown | React - GraphQL - Cypress E2E | [GitHub Repo](#)

- *A web application that aims to provide users with a platform to buy, replace and exchange clothing their children have outgrown. The App provides a convenient and cost-effect solution for parents looking to buy and sell gently used children's clothing*

HealthDash | JavaScript - node.js - Mocha/Chai | [GitHub Repo](#)

- *A web application that uses a local server and a local server API to track and display health and fitness-related information on a UI dashboard.*

StretchTech | React - TypeScript - Javascript - Cypress E2E | [GitHub Repo](#)

- *A web application that allows users to find Pokemon base statistics and starter moves.*

WORK EXPERIENCE

Psychometrist | Madison, WI

UWHealth Neuropsychology Department

- Conducted neuropsychological evaluations for outpatients with cognitive difficulties, and collected and analyzed

that data for diagnosis and treatment.

Graduate PhD Student | Milwaukee, WI

Marquette University – Mentor: Dr. Anita Manogaran

- Managed a team of 2-3 undergraduates to assist in research techniques and data collection.

EDUCATION

Drake University | *Des Moines, IA*

B.S. Neuroscience, B.S. Psychology

Turing School of Software and Design | *Denver, CO*

ACCET-accredited Certificate in Front End Engineering
