PATT SOOKMARK

FRONT END ENGINEER Denver, CO 80205
(303) 898-1882 | ps.pijiya@gmail.com
linkedin.com/in/pattsookmark

After several years of economics data analysis and financial audit, I found myself an opportunity able to run my own catering company. While working as a small business owner, I honed my skill of problem-solving, optimized business operations, and continuous learning. My passion involves helping small businesses be able to focus on the thing they love and be able to compete and to be successful through the use of technology."
